can you help me? i live near san francisco and find it hard to believe that "white" vinegar is not available in such a large geographic area.

imagine the scorn conservatives would (rightly) heap on liberal lawmakers who introduced a bill thought up by rachel maddow

guests are strongly urged to keep valuables, irreplaceable items and medicines in their possession at all times and not to pack such items in baggage or suitcases handled by others.

take a look at the bottom of the case

suggest that aromatase activity is induced by agents which stimulate cyclic amp-dependent protein kinases
