now that ams sold men's health and bph to boston scientific (they refused to buy women's health), will the studies continue or will endo drop the women's health division ?

[genmed.co.nz](http://genmed.co.nz)

in fact, it is diagnosed through history, examination and hands-on palpation over the area

[pharmjx.com](http://pharmjx.com).[w3cost.com](http://w3cost.com)

there's absolutely no uncertainty about that truth
